Safety at Eastbourne Sovereign Centre

All competitors swimming in competition galas at the Sovereign Centre should note the following:

- The depth of water at the shallow end (at the boom end) is 1.1m.
- The depth of water at the deep end is 1.8m.
- Only those swimmers who have reached the standard of the Swim England Competitive Start Award are permitted to start with a shallow racing dive from the starting blocks or from the side of the pool. Swimmers who have not reached this standard must start in the water.
- If you are starting in the water, you must lower yourself over the side. Do not jump or dive.
- In the event of a false start, you must continue with a shallow racing dive; you must not topple into the water downwards as this is dangerous.
- During the warm up there will be no diving into the water until the teams coach advises one way only in the lane they are responsible for. Swimmers will then be permitted to dive in at the deep end, swim to the shallow end and exit the water.
- There is to be no diving into the shallow end or the boom area.
- Swimmers and coaches must ensure that they (and swimmers in their charge) take no action, which would endanger themselves or others. The instructions of the gala officials and poolside staff must be obeyed immediately.
- The area around the diving pit will be used to marshal competitors. Only those competitors whose event has been called for marshalling should be in this area. The diving pit itself is out of bounds at all times.
- The Boom Pit (pool behind the boom) will be available for swim down during the gala. Coaches **MUST** supervise swimmers during swim down.

General Safety:

- Everyone attending the gala should familiarise themselves with the locations of emergency exits, which must be kept clear at all times.
- Anyone observing anything they consider a safety hazard must report it to the gala referee, meet director, or the announcer.
- Should the alarm sound to evacuate the building, all those present must use the marked exits. Swimmers and officials must not return to the changing rooms to collect their clothes or belongings. The instructions of the gala officials and poolside staff must be obeyed immediately.
- Everyone attending the gala must take all steps to ensure their own safety and of others.
- Swimmers are not to run on the poolside.
- Swimmers are advised to remove all jewellery in order to prevent accidental injury to themselves.
- Swimmers must dry off and put on footwear and clothing before going onto the spectator balcony. The wall between the spectator area and poolside must not be climbed.
- Photos of competitors swimming or receiving their awards may be taken during the gala to place in newspapers or on our website. If you do NOT want you/your child's picture used for these purposes, please advise the Director. A Club officer will take the photos to be used for Club purposes.
- It is requested that all mobile phones are switched off or to silent mode during the competition.
- In accordance with Swim England Wavepower Policy all electronic devices are banned in all Changing Rooms. If anyone is found using any devices, they will be excluded from participating in any Event at this Open Meet.
- Competitors are advised not to leave their belongings unattended. Belongings can be placed in a locked locker (non returnable 20p). Neither Eastbourne Swimming Club nor The Sovereign Centre can accept responsibility for any property that may be lost, stolen or damaged.

Gala Officials

Eastbourne Swimming Club acknowledge with grateful thanks the help and assistance given by all officials and helpers.

Without your assistance it would not be possible to run this competition.

Gala Information:

- Coaches/team managers should 'sign out' competitors who are not present by the start of warm up for each session on the sheet contained in the coach pack.
- Competitors should report to the race marshals when the race number is shown on the wall by marshalling. For the first events of each session, competitors should report at the end of the warm up. It is the competitor/coach's responsibility to ensure that they report in due time.
- Awards will be given to the **three** fastest swimmers in each age group without disqualification. Awards should be collected from the medals table following the announcement of the event result.
- The Top Open/Male Team and Top Female Team Awards will be awarded to the Open/Male Team and Female Team accumulating the most points on the day. Points are allocated as follows:
1st place - 15pts; 2nd place - 12pts; 3rd place - 10pts; 4th place - 9pts; 5th place - 8pts; 6th place - 7pts; 7th place - 6pts; 8th place - 5pts; 9th place - 4pts; 10th place - 3pts; 11th place - 2pts; 12th place - 1pt.

Tie Breaker: If more than one Open/Male or Female team has achieved the same number of points, the Team with the lowest number of swimmers in their team will win.

Competitors with any special needs (disabilities / medical) must advise the Referee at the start of the Open Meet

Hot heats will take place randomly and will be announced before the event.

Nut allergy: Please help us to keep this Open Meet a nut-free zone.
